GRESHAM'S

Belong

Welcome

From September 2017 we will welcome two year olds into our Little Grasshoppers Nursery.

Our littlest grasshoppers will join our current nursery-goers – three and four year olds – in our safe and stimulating environment that prioritises play.

The Little Grasshoppers Nursery is located within Gresham's Pre-Prep building – a Grade II Listed building that overlooks playing fields and is conveniently situated in Holt town centre. Sharing all of the school's facilities, including the vast grounds, 200 acres in all, the nursery offers endless opportunities for little explorers' adventures.

A happy home from home

A Gresham's education is classed as 'Excellent' across all nine possible categories and for all parts of the school, and our Little Grasshoppers Nursery is no exception.

Our experienced and qualified nursery staff create an environment where each little grasshopper is well-known, feels content in his or her surroundings, and has fun with their friends.

A typical day will see the children learning, exploring, creating and developing their individual personalities as they discover new capabilities and interests each day – whether they attend on a part-time or full-time basis.

Our little grasshoppers will enjoy learning something new every day simply through guided play, providing an excellent platform from which children can later embark on their more formal learning as Pre-Prep pupils, with confidence. From the age of 3, there are opportunities to try languages, including French and Spanish with specialist teachers, and to experience learning in the open air with our Outdoor Wild Learning Squad (OWLS).

Taking care of the finer details

We know that as parents of young children there are so many aspects of your child's day to consider, from their safety and happiness, to their diet and opportunities for positive interactions with others.

This is why at Little Grasshoppers Nursery we consider the finer details.

- All of the food we provide to children across the school is prepared by Chartwells, a renowned school catering company.
- Our team consists of qualified Early Years Foundation Stage specialists, each of whom is responsible for overseeing all of our little grasshoppers' activities.
- The team members are all enthusiastic and passionate about providing the children with a balanced environment, promoting positive behaviours and each child's self-esteem, alongside developing a sense of security and genuine friendships.

Morning-only: 8.55am to 1.00pm

Full day: 8.55am to 3.30pm

Weekly: Monday to Friday full day

All sessions include lunch. Children attending for a full day session are also able to join in with the school's Breakfast Club (from 8.00am) and After School Club (until 5.00pm on Wednesdays and until 5.30pm on all other school days).

We would be delighted to welcome you and your little grasshopper to visit us, to experience for yourself what a typical day is like.
