However, Gresham's pupils on programmed games periods have precedence over all other users at all times during the term. Please check the timetable displayed outside the courts for the times the School is using them. **NOTE:** during the summer term, please consult the separately displayed schedule of times the courts are available as there is restricted availability during the exam season.

### TIMES AVAILABLE FOR MEMBERS' USE:

<b>During Term-Time:</b>	<b>During School Holidays:</b>
See current term's timetable at the end of this document which shows when the school is using the courts (varies termly). Squash members may use the courts outside of the school sessions unless a notice is put up to the contrary.	Daily at any time. However, during the summer holidays the School premises are let to outside organisations. During this period, members may continue to use unoccupied courts. Please check the notice board for times during exam season and also for the Christmas/New Year shut down.
