### IN BRIEF

#### Annual ball helps the air ambulance

**HOLT:** More than 200 former pupils and friends returned to Gresham's at Holt for their annual ball, which this year had a James Bond theme. The event raised more than £10,000, for the East Anglian Air Ambulance (EAAA). Guests were greeted with an aerobatic display by British champion pilot Mark Jefferies, and were invited to meet the crew of the EAAA helicopter which landed on the school's cricket pitch. An auction after the meal included polo experience days, a Maserati for the weekend, a Porsche-driving experience at Silverstone and a tour of Williams F1 in Oxfordshire.
