Gresham's School Valedictory Ball

The 'La Bohème' Valedictory Ball at Gresham's School on June 30, was a wonderful occasion to say farewell to leavers and share their last evening in the school's idyllic surroundings. On a glorious summer's evening, student leavers and parents from around the UK and overseas

enjoyed fine dining and dancing, aerial acrobatics and fire-eating entertainment, whilst celebrating in style together with life-long friends, made at Gresham's – some of whom have been classmates at Gresham's since nursery! ♦

Copies of these photographs and additional pictures from the events can be found on www.edp24.co.uk/buyphoto or call 01603 772440. For that special gift photographs can be framed or finished on canvas
