

## Director of Hockey

Required for: 27<sup>th</sup> August 2019

Gresham's is situated in the Georgian town of Holt and sits within 200 acres of glorious countryside. Set in an area of outstanding natural beauty, and with the Norfolk Broads and the North Norfolk Coast just a few miles away.

At Gresham's we recognise that every child has different strengths and talents and we pride ourselves on recruiting staff who can bring out each child's true potential.

We are currently looking for a committed, hardworking and inspirational individual to join our School as Director of Hockey. The successful candidate will have sole responsibility for continually developing a strong hockey programme, which caters for all abilities and maximises player potential. Reporting to the Director of Sport, the Director of Hockey will be required to have a recognised England Hockey coaching qualification, or International equivalent, and a distinguished pedigree of playing and/or coaching at National League level.

There is no requirement for the successful candidate to be a qualified teacher but the position would particularly suit an individual who is seeking a challenge and career development in sports management or coaching.

The School has both boarding and day pupils and runs an extended school day and a vast range of sporting and co-curricular opportunities. The successful candidate will be expected to contribute fully to the extensive co-curricular life of the school and it is vital that he or she embraces the holistic nature of the school's approach and our commitment to providing a broad and far reaching educational experience for our pupils. A sense of humour, a readiness to laugh a lot and enjoy working here is very important.
