

Teacher of Chemistry (P/T)

Start date: January 2020

Gresham's School is situated in the Georgian town of Holt and sits within 200 acres of glorious countryside. Set in an area of outstanding natural beauty, and with the Norfolk Broads and the North Norfolk Coast just a few miles away.

Gresham's offers a rare opportunity where children can join us at our Nursery and Pre-Prep from the age of 2 and continue with their education at our Prep and Senior Schools. Our most recent inspection (February 2016) by the Independent Schools Inspectorate (ISI) rated Gresham's 'Excellent' in all nine categories across all three schools, Pre Prep, Prep and Senior.

We currently have a part time opportunity for an outstanding Chemist to join the Senior School Science department. Chemistry is one of the most popular choices for students to study from GCSE through to post-16 A Level and IB at Gresham's. We consistently produce some excellent examination results which have assisted students into Oxbridge and Russell Group universities. This is down to the hard-work of both the students and the staff in the department.

The School has both boarding and day pupils and runs an extended school day and a vast range of sporting and extra-curricular opportunities. All our academic staff are expected to embrace the co-curricular life at Gresham's, whether you love sport, drama or enjoy working on projects with the local community, we have more than enough to keep you busy.

To apply for the role, please visit our website www.greshams.com/Job-opportunities where you will find an application form. Our recruitment team can also be reached by telephone on 01263 714589 or by emailing hr@greshams.com

Closing Date: Friday 21st June 2019 (12 noon)

Interviews: Wednesday 26th June 2019
