

School Shop

The Shop is situated within the School and is open during term time and during the last two weeks of the summer holiday.

All new and pre-loved school uniform and sports kit is available from the School Shop. We operate an appointment system for fittings, which take approximately one hour.

We request that new pupils book their appointments early as space is limited and your child is expected to start the new school term in uniform. Please email the Shop to book an appointment during term or follow this link to book your fitting during the last two weeks of the summer holiday.

MEASUREMENT GUIDE

HEIGHT

Measure from the top of the head down to the ground - make sure the child is barefoot with their heels together and feet flat on the floor.

HIPS

Place the tape measure around the fullest part of the bottom.

CHEST

Take the tape through the arms and around the fullest part of the chest.

INSIDE LEG

Measure with shoes on to approximately 5cm above the ground.

WAIST

Place the tape measure around the natural waistline, taking care not to pull it too tightly.

COLLAR

Place the tape measure around the base of the neck where the collar usually sits, again taking care not to pull the tape too tightly as it is important to have a little extra room around the neck.
