Queens' is named after Queen Mary I, Queen Elizabeth I and Queen Elizabeth II. During the reign of each queen, Gresham's School made significant strides towards the establishment it is today.

In the reign of Queen Mary Gresham's was founded (1555), in the reign of Queen Elizabeth I, Gresham's admitted its first pupils (1562), and in the reign of Elizabeth II Gresham's first admitted female pupils (1971). Its predecessor, Britten House, first opened its doors to boarders in 1996, becoming Queens' House in 2016. The identity of the House has now been established by the girls who have lived and worked here during the first two years of Queens' House, and we hope that every girl that passes through here will leave their mark on the place.

Queens' House has a very special and beautiful location on the North East edge of the campus, backing onto the School woods and overlooking the playing fields, Chapel, the Britten Building, and the Auden Theatre. It has a particularly colourful and cheerful interior and a new Upper Sixth Form wing. It has a unique warmth and vibrancy and is currently home to 85 girls, including boarders and day girls.

WELCOME FROM MRS SELDON

Welcome to Queens'. If you got your hands in this booklet, you are officially part of the Queens' family. Hopefully this booklet will give you a little insight of life in Queens' and, will too, clarify some things that might be causing some – very normal – nerves. In Queens' we pride ourselves of making the boarding house your home, our home. Values we really thrive on are empathy, kindness, honesty are sisterhood – and we make sure we implement these in the day-to-day life in the house and in the broader school community.

We look forward to welcoming you in our Queens' family, where, I have no doubt you will make memories you will treasure forever.

The Housemistress takes overall responsibility for the well-being of the pupils.

I arrived at Gresham's 15 years ago as a Spanish Assistant, having studied English and Spanish Literature and linguistics at the University of Valladolid, where I come from and I did my PGCE at Buckingham University. I originally came to Gresham's for one year but I completely fell in love with the school. After my PGCE I became Assistant Housemistress of Queens' for two years which I left to become Head of Spanish for 6 years before becoming Queens' Housemistress.

I got married in the school chapel to my husband Mark who is the Director of Studies – avid beekeeper and Newcastle United's number 1 Fan. I have a stepson, Harry in the Senior School and Mr Seldon and I have Oliver and Mia in the Prep and Pre-Prep.

Although I share duties with an incredibly team of tutors I am pretty much in Queens' all day and night – my house is attached to the house through the common room making it very accessible for girls to come and have a chat.

Mrs Esther Philpott
Teacher of Biology
ephilpott@greshams.com

I am very excited to be starting as a non-resident assistant housemistress in Queens' this year having been part of the house as a tutor for the last four years. I am a Biology teacher and so when I am not in Queens' I can be found in or around my lab in the Dyson building. I am also a mum of five children; Jemima who is 11, Ezra 13, Noah 15, Jude 17 and my eldest Joel (who is at university) is 19.

I have a degree in Genetics from the University of Leicester and did my teacher training at the University of East Anglia. I had my first teaching job in Gorleston and then after a career break to have children I resumed teaching in Sheringham before joining Gresham's. Despite my science background I particularly enjoy being creative and like to do a variety of crafts for fun. To keep fit I like to run and can often be seen running home at the end of the day.

ACADEMIC TUTORS

You will also be appointed an academic tutor from the list of staff mentioned above who will work closely with me to monitor academic performance. They will contact your parents in the first week of term to introduce themselves and will meet with you at least twice a week, either in House or in their teaching rooms (they will arrange this with you). It is them who will discuss Reports with you and set academic goals based upon your performance. It is also them that will liaise directly with your parents throughout the academic year. They should be your first reference point for any academic concerns, or any issues with regard to managing/organising your studies. They are also there to address pastoral issues with you and to offer advice with regard to post-16 study/adventures/careers. In addition to the above Tutor Periods you will be able to catch them while they are on Duty in House or of course you may make an alternative arrangement to speak with them via email. As a House Team we meet every Monday to discuss you all!

CLEANING STAFF

The House cleaning team are Jane, Emma and Cristine. They are here Monday to Friday in the mornings. They do a fantastic job and we are very lucky to have them! Help them by keeping your rooms as tidy as possible and by putting all litter in the bin! Respecting your rooms and furnishings and keeping an orderly room is fundamental to creating a purposeful learning environment and a home of which you and we can all be proud.

PREFECTS

The House has a team of prefects. Whilst they carry authority, their main role is to help and support you. They are also there to help lead discussion in tutor sessions and House Assemblies and to galvanise the House behind competitions and events. They will help drive initiatives in House and are an extension of my authority within the student body. I would encourage all boys to seek the guidance of the Prefects with regard to social dynamics before involving House Staff.

All new girls are assigned a 'Big Sister' in the Upper Sixth form. Your Big Sister is mentor, friend and support, particularly in the early weeks.

HOW DOES THE HOUSE WORK ?

I live in the house, with my family, in accommodation on the far side of the Common Room. I am there for most of the time in the house and available to help with any matter, school or otherwise. I have a study next to the Common Room.

If I am not there I am probably teaching; you can leave me a note ,try me later, or find another member of staff to help. You will always know which member of staff is on duty in the house. During the school day, it will probably be easier to find me in the Library Block in my classroom, which you can find downstairs on the right.

The person on duty in Queens' always carries a mobile phone, and the number is available to you all: **07833 206442**

WHAT ABOUT CONTACT WITH HOME ?

Most pupils have their own mobile phones. It should be pointed out, however, that they must not be used during lesson times, prep times or after bedtime.

There is Wi-Fi throughout the house and most girls use email or Skype to keep in contact with home. You will get a BYOD (bring your own device) code on your first day which will allow you to access Wi-Fi from your own personal devices. You can also use my office or Matron's phone if you need to contact home.

WHAT DO I DO IF I HAVE A PROBLEM ?

You must find me, or someone else you are happy to talk to, and who you trust, and your problem can be addressed. Whatever the problem is, it needs to be sorted out and you must never suffer in silence. My door is always open to you. If you prefer, talk to a Prefect, Matron, Mr Seldon or another member of staff. We also have special people who you may wish to talk to in confidence, called independent listeners. They include the school counsellors, Elliot and Kate who are happy to see you about anything that is worrying you. You will soon find that we are here to help and that the School is an amazing community in which everyone wants you to be happy and to thrive.

If a student needs to speak to a residential member of staff then he/she must ring the doorbell of their residence and await a response. They must not enter the accommodation uninvited and will be granted access only to the HSM study if they do enter.

ALL THE OTHER STUFF

Lots of activities occur outside the classroom. As well as a wide range of enrichment opportunities that are linked to academic development, there are a huge number of sport, music, art, and drama activities.

There are many inter-house competitions, and many of these occur in the first term. We will start practising for the Inter-House Music Competition very early in the term, and there will also be the Cross Country and Hockey competitions. In the Lent term there is an Art competition, Inter-House Netball and Swimming, with Athletics, and Rounders in the Summer Term. There are matches for those in school teams, plays, concerts, choir and Orchestra. Make sure you make the most of what we have on offer.

BOARDING PRINCIPLES AND PRACTICE

The boarding experience at Gresham's aims to meet and develop the holistic needs of each individual within a community that places the highest possible value on mutual respect, tolerance and personal endeavour. By joining us in boarding at Gresham's School we aim to:

- Help to develop confidence, independence and team work.
- Develop a sense of community and belonging.
- Encourage respect for others and their property.
- Teach pupils how to be mentally and emotionally healthy.
- Provide pastoral and academic support to enrich lives and enhance learning, and to guide pupils through times of difficulty.
- Develop and deepen supportive relationships between pupils, parents and staff.
- Widen cultural experience and foster good relations and tolerance.
- Provide access to and encourage participation in a wide range of activities.
- Provide opportunities to develop leadership skills and to contribute to the wider community.
- Foster an environment where bullying and harassment are not tolerated.
- Support students in times of difficulty.
- Be attentive and responsive to the wishes of pupils, involving them in decisions made about the boarding environment and practices.
- Allow boarders to feel able to share the good things in their lives while also able to turn to others for advice, counselling and support.
- Provide levels of care and safeguarding that protect pupils from risk in line with the Department for Education's aim to help children achieve more, and National Minimum Standards for Boarding Schools.

Practice

In the first term of the new academic year, parents will receive an interim report before the Half-Term on the progress of their child; a subject report for each pupil is written by the Subject Teacher with further comment from the Tutor and the Housemaster or Housemistress.

There is a programme of weekend activities for boarders each term, with such activities taking place most weekends. We recognise that Sunday should be a day of rest and relaxation after a busy week, but wish to provide a structure for the day in which boarders may socialise, with spiritual needs met through Chapel or House-based services. These services can be formal, or very informal in nature.

We believe boarding encourages independence, consideration for others, responsibility and a spirit of camaraderie that will stand boarders in good stead throughout their lives. The friendships made will last a long time; often a lifetime.

Resourcefulness, resilience, and self-reliance are gained through boarding and through the opportunities provided by the prefect system, CCF (including outward bound activities), the Duke of Edinburgh's Award Scheme, Shooting, Drama, Music and the myriad other activities at Gresham's. These will also stand all boarders in good stead in the future, as that sense of responsibility will be the key to success in almost all future employment.

We actively stress the equal rights of all individual pupils, whatever their age, gender, sexuality or race. Although the School is a Christian foundation, and although we expect all pupils to attend Chapel, no force at all is exercised to evangelise those of a non-Christian faith.

We believe that there are many virtues inherent in boarding at Gresham's, and we strive to provide a full, stimulating, friendly but exciting atmosphere in which pupils flourish and which they miss deeply when they leave.

Q U E E N S ' H O U S E - H O U S E R U L E S

S I G N I N G O U T

If leaving the house outside of lesson time, pupils should sign out in the exit book, and sign in immediately on return. Destination must always be given, and you should never sign for other people. Seek permission from duty staff before leaving the school grounds at weekends, then sign out in the usual way. Pupils should not leave the house before 7am without staff permission.

Day girls MUST sign out at the end of the day when they go home on the Day Girls 'signing out book. All visitors must sign in and out of the house too.

If you are late then you will need to locate, apologise and provide good reason, to the member of staff on Duty and then sign in at Reception in the event that it is morning registration. 17:30 roll call will be done in your studies.

P R E P

Silence is to be observed, and pupils must remain in their studies until the end of prep. Juniors should remember that senior girls are working during late prep and should be considerate. Music may be played quietly by those in single studies, but not heard outside the room. All other pupils should use headphones. Sixth Form study periods follow the same rules as prep.

T E L E V I S I O N

The television may be watched in free time, not during study periods or prep. Videos must be approved by duty staff beforehand, and videos may only be watched by pupils from within the appropriate age group.

D R E S S

Pupils should always be respectable when walking around the house.

Normal school rules regarding dress and jewellery should be observed.

Shoes should be cleaned regularly.

L A U N D R Y

All boarders put their dirty laundry in the appropriate baskets near the Laundry room each evening before bedtime. Clean clothes should also be collected between 21:00 and 22:00 and put away tidily. Please keep to this timing. Clean laundry is delivered on a Tuesday and Thursday. Matron can organise for the cleaning of individual items or for you to manage your own laundry, just ask. She will also manage dry cleaning, label sewing and repairs for you.

F O O D A N D D R I N K

Food should not be prepared during lesson times and study periods. You should wash it and put away immediately by the user and kitchen surfaces wiped clean.

M E A L S

It is a school requirement that all meals are attended. You should be in breakfast before 7.40am, and report to the duty prefect. Do not sign in for other people.

S E C U R I T Y A N D S A F E T Y

Matches and lighters are not allowed.

Nothing should be placed over bedside lights or touching overhead lights.

Self-closing doors should never be propped open.

SCHOOL ELECTRICAL SAFETY INSTRUCTIONS

Plugs should be fitted correctly – Do not do this yourself. Private electrical equipment should not be brought into school (kettles, toasters etc.)

VALUABLES

It is not advisable to bring valuables into school. If expensive items are needed for some reason, they should be left with Mrs Seldon. You are advised not to keep large amounts of money in your possession.

No medicines may be kept in your possession unless you have spoken to Matron about the self-medication form. If in your possession, it must be securely locked away with no potential whatsoever for others to have access. If you arrive with new medication please go straight to Matron so we can organise things. The self-medication form allows you to self-medicate certain medicines if you are deemed competent to do so. No medicines may be shared with anyone else. Medicine can be administered by all staff as mentioned above.

As a House we are committed to meeting the dietary, medical and religious needs of all in our care. Such needs can be made clear to Housemasters and Matrons by parents or the students themselves at any stage during the academic year.

ADVOCACY

Students can always expect me, their tutor or an adult of *their* choosing to advocate on their behalf. I will be present in any meeting between them and the Deputy Head Pastoral for instance or indeed any meeting with an outside agency should they consent for me to be there.

GUARDIANSHIP

All overseas students must have an appointed Guardian. This is someone who should live within a two-hour driving distance of the School and who assumes the responsibilities laid down by the School's Guardianship Policy. I will be in regular contact with your Guardian to ensure that they are invested in your education and wellbeing and will ensure that any arrangements they make for your care over holidays and home weekends are suitable and in line with your needs. I will also ask you about your relationship with your Guardian and your experience of any time spent with them, or with a host family, so I am confident of the level of care you have been afforded.

HAVE YOUR SAY!

We want your ideas, thoughts and opinions as to how to make your Boarding House and your time here at Gresham's even better! Likewise we want to hear any concerns, anxieties or complaints you might have so that we can address them.

You can air your opinions, thoughts or complaints at any time (you do not need the permission of your parents) by going to talk to, or emailing:

Your Academic Tutor
Your Assistant House Master/Mistress or a Resident Tutor
Your House Master/Mistress
Mr Cox (Head of Boarding)
Miss Fielding (Director of Pastoral Care)

Mrs Alexander (Deputy Head Pastoral)
Mr Atkinson (Deputy Head Co-Curricular)
Mr Robb - (Headmaster)

You could also raise the above with the Head of House, the Assistant Head of House, the Senior Prefects or any other House, or School Prefect. Year 9 students might also speak to their assigned Year 13 'Big Brother/Big Sister.' We also have representatives for: The Overseas Pupils Forum, the Diversity and Inclusion Committee, Weekend Activities, The Dining Hall Committee and the School Council who will seek your views and insights.

There are also plenty of informal opportunities to air your feelings on the House or School, e.g. over lunch, in the Common Room before and after roll calls, after Supper etc.

In the event of a complaint being made you should expect an acknowledgement within 24 hours of it being raised and a time-frame by which you can expect a more detailed/considered response – allowing opportunity for full investigation. Your complaint will be held in confidence insofar as no-one is at risk of harm or if such confidence would hinder a proper investigation of the issue.

If you are then unhappy with the outcome, or with how the complaint has been handled, then you should raise this with Mrs Alexander.

HOME VISITS

Please ensure that, when invited to someone else's home during the weekend, I have received explicit permission, in writing, from the host's and guest's parents. All such notice is expected by the Thursday of any given week so that I have sufficient time to ensure I have the relevant permissions. This must clearly state that the host takes full responsibility for your wellbeing and let me know what time you will be leaving and when you will be back. You are expected to fully abide by these conditions. I have to be assured that your needs will be met and that you will be well-looked after. Only once the above is all met to the satisfaction of the Housemaster will consent be given. Any abuse of these conditions will result in future permissions being denied. If you are not on top of your work then any such requests are likely to be denied.

L A P T O P S / T A B L E T S

Most students have personal devices which are connected to the network. They must be registered with the IT department and can use wireless around House and the School. Misuse of your personal electronic devices (e.g. watching a film in prep/after lights out/in lesson time) will result in their removal for 1 day. If misused again, removal is for: 2 days, 3 days, 1 week, 2 weeks then 3 weeks. If you are dishonest expect a longer period of remedial action. Misuse around School is discussed in the Pastoral Care Handbook. You must label all such items and put security codes on them (do not share these with others). Ensure you are sensible with these devices and do not leave them logged on and unattended. Be smart when online and always consider what you are sharing and with whom. Do not make yourself vulnerable in any way! All students agree to an 'Acceptable Use Policy' and will face appropriate sanctions for inappropriate use of technology. Be aware that a full internet report is available to Pastoral Staff on a daily and weekly basis. This tells us precisely which sites are being accessed, when and how long for. All devices being brought into House must be disclosed to the Housemaster and must not contain harmful or offensive content.

WEEKEND ACTIVITIES

Weekend arrangements are shared with the students via the Gresham's Weekend Activities Team, House Team and also in House on display boards.

Saturday

Supper on a Saturday is at 17:30. Weekend food is chosen by the Boarders from each of the Houses on a rotational basis and more often than not is had in the CFB, or in the Cairns Centre which offers students an informal dining experience. Every Saturday evening, if there is not a structured activity, there is an informal social, usually in one of the Boarding Houses, led by the Prefects. This is open to all students and usually runs from 7pm to 9pm. This is a low-key social and usually takes the form of a quiz, a movie, a pool competition, use of the fire-pit etc.

Sunday

The Performance Centre and Gym is open in the morning (usually between 9am and 10am) and all boarders have the option of joining a 9am Boarders Run with Mr Cox. Brunch is at 11am usually and then the activity for the day tends to leave at 11:30. Supper in the CFB is then at 17:30 in the evening before the School comes together for Chapel at 18:00. The Swimming pool is also available to students for a nice evening swim to see out the weekend at 19:00.

There is also a structured activity organised for the Sunday. Students sign up using forms shared directly with them via Microsoft Teams. This triggers an alert to their devices. Whilst the onus is on them to sign-up, conversation will be had with the Housemaster and them as to whether you would benefit from getting off-campus and as to how you otherwise intend to use your time. We ask that students sign-up by midday Wednesday so that we can make judgement on the viability of the trip and have the necessary paperwork, risk assessments and staffing in place. The choice of activities is led by conversation between Mr Liberman (Weekend Activities Co-Ordinator) and the Weekend Representatives appointed by Houses. All students have opportunity to speak to these Reps, to Mr Liberman or myself or to their Housemaster should they wish to see something different offered. The full range of weekend activities and timings can be found by students in House and on the 'Weekend Activities Teams' page to which all Boarders have access.

Students may also visit other Boarding Houses or go into Holt across the weekend.

A D V I C E F R O M Q U E E N S ' G I R L S

It's not that bad in year 9, it doesn't take as long as you think to settle in and get to know everyone. My advice would be to chill and have time to chat to friends in Queens' when you can, most of them aren't that scary! Unless you try and take their tuck. Also remember it takes longer from queens to get to some lessons and don't cover up the stink of your games kit with deodorant, it makes it worse.

S O P H I A C

Firstly, I advise you just to enjoy year nine as it's the least stressful year out of them all at the senior school even though it doesn't seem like it at times so have fun but also do your prep ;)! Another thing to think about is timing, you'll need to take into consideration that you need more time to leave from house to make it on time to lessons as we're so far away (but you get used to it)!! Another thing is that you need to keep the prep room and dorm tidy or matron will be after you, this is something my year aren't very good at... You will be given prep every day so you have to keep on top of it I suggest doing it pretty much as soon as you get it, but there is time at the end of the day when everyone dose their prep so you can do it then.

E L I Z A A .

Most importantly, try to keep your general life organised as the day is busy and it's easy to get in a fluster when you don't know what you're doing. Make sure to write down every prep into your diary with clear instructions because when it gets to prep time, you might be the only one in your set that is also in Queens' and you need to know what you are doing (check at on the first day who in Queens' is in your set). Also try to keep up to date with preps as much as you can otherwise they soon pile up, it's just easier for you and teachers won't be chasing you for it. Keep your space clean and tidy in the prep room and in the dorm because I did not (life regrets), stuff can get lost, and it is so much easier for Matron and the cleaners. However, apart from that, try to make as many new friends as you can because there will be loads on new people and everyone is a bit nervous. Have fun, ask us anything if you need to!

T I L L I E C .

Firstly, I would say to bring your own mug for the kitchens as normally they're in the dishwasher and get used up really quickly. Also, to bring your own tuck box with a lock because food can disappear quickly in a dorm of girls. I would also keep your prep room tidy because otherwise things get lost easily. In addition, to make sure that you are on time for all your lessons, leave five minutes early. At the start, it is easy to get lost and it takes quite a while to get places if you're in Queens'. I would also suggest on your first day using the map on the back of your prep diary or asking one of the older students for advice on how to get places because it can be hard for the first few lessons.

M I R A N D A H - S .

You will have the best time as a year 9 in queens, so enjoy every moment. My only advice to you is to wear a watch and make sure you're on time to all your lessons and roll call. Make sure to leave yourself enough time to walk to lessons.

C H A R L O T T E A .

Don't be scared to talk to older people in the house, we all treat each other like family, and everyone will help you if you have a problem. Also, one of the things I was most worried about was chapel and lunch because that's when everyone is together, but I quickly realized that it's not bad and no one is judging you.

I S S Y S .

When I first came into Queen's, I was very scared, but I promise you that everyone here is super nice and friendly. The girls here will pull you right in and you will be able to feel like you are at home. If you are joining in year 9, don't stress yourself with studies, just enjoy this year and have fun making friends (the real hardships are in the upcoming years !!). If you are a year 12 student, although you must focus on prep and studies more, don't forget to enjoy the Greshams' experience. When you get your room, try to make it feel like home by decorating it with things precious to you like pictures or toys etc. If you ever find yourself in any problems, Mrs Seldon is an amazing person to turn to (you can always turn to older girls in house if you want to too 😊). And don't forget to make the best of memories.

S A M A A .

I joined Queens' in Year 11 and honestly I did not know what to expect. Of course, I knew a bit about boarding before but not a lot. I would say now though after being here for about two years already, I have experienced the most and memorable events. I would really say not to be scared or anything because everyone is super friendly here and open to talk to. This especially helped me get settled in quite quickly. As a reminder it is not only staff here to talk to, all of the girls in house are also there to talk to. Enjoy the first few days when you join to get settled in, but then you will quickly realise a lot of work is coming at once, don't be scared for that if you stay organised it will not be a problem.
