Sixth Form pupil, Harry Simmons (W), has been selected for the England Under 18s rugby forthcoming 5 Nations matches with France, Wales, Ireland and Scotland.

Harry, who plays at scrum-half, is currently training with Leicester Tigers 1st XV Squad for their Premiership fixtures after making his debut for the Premiership side in a pre-season friendly in October 2015. He will feature for the Tigers in the Premiership Rugby U18 Academy Competition Finals Day which will take place at Allianz Park in February.

The Sixth Former also plays for the 1st XV U18 squad at Gresham's Holt Rugby Club, has represented Eastern Counties, London Division and Leicester Tigers Academy.

Harry's achievement follows in the footsteps of Old Greshamians, Tom and Ben Youngs who have both represented England and the British and Irish Lions, who also play for Leicester Tigers.

Gresham's School would like to wish Harry every success for his forthcoming matches and for what is promising to be a fantastic rugby career.
