Allow me to introduce you to The Old Greshamian Golfing Society

As a keen golfer we would very much like to encourage you to continue your association with the school by joining the OG Golf Society. The key features of the Society are:

- Annual membership fees of £25 are waived until you reach the age of 25
- We have a membership of over 100 OG's, with abilities ranging from low single figure handicappers through to those who enjoy their golf but have no expectation of breaking 100 – we are an eclectic society and encourage participation from players of all abilities
- For the better golfers (good single figures) we enter teams in the two principal 'old boys' tournaments. Firstly the Halford Hewitt comprising teams of 10 golfers from 64 schools played in foursomes knock-out format over Royal St Georges and Royal Cinque Ports in April each year. Secondly the Grafton Morrish, played by 32 teams of 6 players over Hunstanton and Brancaster in late September/early October. Scratch stableford qualifying events are held for this event in May each year
- In addition, for the better golfers, aged over 50, we enter a team of 6 in the Cyril Gray tournament, played at Worplesden in late June every year
- For the wider membership we hold Spring, Summer and Autumn meetings, all played off handicap, generally within or around East Anglia – recent courses that we have played include Sheringham, Royal Worlington, Woodhall Spa, Aldeburgh, Hunstanton, Brancaster and Gog Magog
- We also have an annual match against the school Governors at Brancaster in June and there is an inter-school event played at Highgate, off handicap, which we have played in recent years
- Future plans include the possibility of a match against the School, along with matches against other schools old boy societies

As you can see, we are active and would very much like you to become involved. We appreciate that it may not be easy to make yourself available to play immediately on leaving school but if we have your contact details then at least we can keep you up to date with what's going on and it will allow us to keep in touch with you. We have found in the past that it is sometimes difficult to catch up with OG golfers after they have left school so getting good contact information early on is essential.

Please do support the OG Golf Society by completing the attached 'Member Details' form and send it to me at the address shown.

With kind regards

Richard Stevens
