

GRESHAM'S STUDENTS CELEBRATE A-LEVEL RESULTS

On 15th August this year's A2/AS level results were announced with Gresham's obtaining excellent results across the board. A number of students achieved outstanding results which will see them take up places at some of the country's top universities. Some of the students from Norfolk who achieved particularly well are:

Frederick Harcourt of Field Dalling who achieved three A* grades and one A grade, whilst Callum Cooke secured one A* grade and three A grades; Callum had won a Scholarship to attend Gresham's Sixth Form from Ormiston Venture Academy in Great Yarmouth and is now looking forward to studying Fine Art at Oxford University in September.

Holly Hunt of West Runton received three A* grades and will be going to York University to read English; Pandora Layton from Hunstanton received two A* grades and one A grade and will go on to study

Human, Social and Political Sciences at Trinity College, Cambridge whilst Holly Farnell of Cromer (pictured with Tim Florax) obtained one A* grade and two A grades as well as a B grade in Music.

Overall 75.8% of all A-levels taken at Gresham's were graded A*-B. Several departments have achieved outstanding results, and A*-B grades were obtained by 100% of candidates in the following subjects: Art, Economics, German, Japanese, Latin and Further Mathematics. The success of our Sixth Form students is reflected in the high number progressing to prestigious universities both in the UK and overseas.

In congratulating his pupils, the Headmaster Mr Philip John said that he was delighted with this year's A2/AS level results which reflected a great deal of hard work and commitment from both students and staff. In particular the 18.9% A* grades and 75.8% of grades at A*-B was most commendable given the reported fall in top grades nationally this year.

HOLT AREA PATIENT GROUP

Invite you to find out what goes on.....
