

CHARITY FUNDRAISING

In September, Schola Cantorum, Gresham's chamber choir, and jazz band performed a concert for The Rotary Club of Holt and District which raised a magnificent £1,460. Thanks to the generous monies raised that evening, half this amount will now be donated to the Scout Group in Holt to help fund repairs of their hut roof with a further £730.00 being donated to Gresham's School's charity of the year, The Olpalagilagi Primary School in Kenya.

As a result, on Monday 8th December, Roger Percival and Michael Elsom from the Rotary Club of Holt and District attended a Gresham's chapel service to make the presentation.

During the service they thanked Gresham's pupils and staff for their support in raising such a generous sum of money and presented the school with a cheque for £730.00.
