

ENGLAND HOCKEY SELECTION FOR NORFOLK PUPIL

Congratulations to Gabby Stilgoe from Docking who has been selected as part of the Under 16 England Hockey squad. Gabby who is a pupil at Gresham's School in Holt was delighted when she received the news last week. Gabby started playing hockey when she was six years old and has played club hockey at the Pelicans Hockey Club in King's Lynn as well as playing first team hockey at Gresham's Prep School. In 2012, she was just one of six players in the country to be selected to compete for a place in the Under 16 England squad but sadly was not selected last year. Gabby who is now in the Fifth Form at Gresham's Senior School has worked hard and attended many training and selection camps at Norfolk county and east divisional level and her determination to improve has been rewarded with her recent selection to the England squad.

Steve Adams, the Sports Development Director at Gresham's said, "This is a tremendous achievement for Gabby who has worked very

hard with her coaches for this honour over the last year. She has been playing exceptionally well for the School 1st XI on their very competitive fixture list and progressed through the Junior Regional Performance Centre trials in November which attracted the best 64 Under 16 players in the country. The School is very proud of her and will be wishing Gabby the very best with the International matches next spring 2014."
