Tom Appleton has lots of experience of running choirs; he is the Guest Conductor of the National Youth Choirs of Great Britain, Musical Director of the King's Lynn Festival Chorus and the new Music Outreach Director at Gresham's School in Holt. Tom said, "Singing is something everyone can do whatever your age or ability. This is a unique opportunity to bring the local community together for the first time to sing the town's praises, meet new people and most importantly have fun. So let's all 'Howl for Holt'!"

In 1964, 'Beatlemania' was at its height. The Beatles wrote some of their most iconic and well known, pop songs of the 20th Century and to celebrate 50 years of John, Paul, Ringo, and George, Tom
