WORN TO BE WILD

As the new academic year begins this week across the country, it is unlikely that many schools are planning anything as dynamic and exciting as Gresham's School to capture the imaginations of pupils, parents and public alike. On the 27th September, the inaugural Gresham's CAS 'Worn to be Wild' Fashion Show will take place - an event proposed to showcase the unique talents of Gresham's pupils and the local community.

The show is a new initiative from a team of sixth form 'CAS' students (pictured below). CAS, standing for Creativity, Action and Service, is a programme, part of the IB Diploma at the school, which focuses on learning and developing new skills in a way in which allows personal growth and, most importantly, helps give something back to local people. From the project's inception earlier this year, when a theme of 'Worn to be Wild' was agreed upon, students have been working in specially commissioned groups, including catering, artistic, marketing and modelling 'teams', to design every aspect of the show. Help has also been enlisted from all areas of the Holt community. Fashion boutiques such as Anna, François Bouttier Studio, Gun Hill, Nicholson's, Mrs Jones and the department store of Bakers and Larners are kindly providing all the clothes to be showcased whilst Jordan Burr Hairdressing Salon is supporting the hair and make-up for the event and Adnams are sponsoring the refreshments.

The evening will feature a sparkling combination of a vibrant catwalk, featuring Gresham's models and local couture designed to bring out the 'Natural' theme, captivating live music and drama provided by Gresham's pupils and staff, and a selection of delicious canapés and refreshments. It is sure to be a wild night!

Worn to be Wild is raising funds to support the Prince's Trust. The tickets cost £25 and includes; a programme, glass of champagne, canapés, an exclusive goodie bag from Matrix and special offers for exhibiting Holt boutiques. There will be a raffle on the night to win some sumptuous prizes kindly donated by local stores and businesses.

To order tickets email Val Megouran: rorymegouran@hotmail.com or purchase tickets from any of the participating stores and the Auden Theatre at Gresham's Senior School.

AMAZING SUNFLOWERS

I have the most amazing sunflowers in my garden grown from a packet of Thomson & Morgan, Russian Giant seeds, purchased from Bakers & Larners Garden Department.

The height is 10 feet 5 inches, by far the tallest I have ever grown and very sturdy, grown in good Norfolk soil with no added feed or fertilizer.

M J M Baker.

Has any reader beaten the height of these sunflowers?
